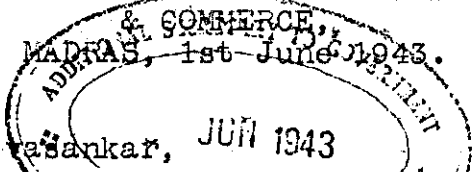
D.O.N- 1764-E/43.

DIRECTOR OF INDUSTRIES & COMMERCE,
MADRAS, 1st June 1943.



My dear Sivasankar,

My letter No. 1764-E/43 dated 19th May 1943.

There are two or three points which have to be decided before the agreement can be executed -- (i) the date from which Chou should be considered to have joined service under Madras Government, (ii) the scale of travelling allowance to which he is entitled, and (iii) his pay. I enclose a copy of Chou's letter No.368-SF/43 dated 28th May 1943 as regards first and second points and of Desai's D.O.No.SY/TX 62 (106) dated 28th May 1943 as regards the third point.

2 First as regards pay. In view of the fact that Chou's earnings in China were considerably higher than the pay fixed here and in view of the preparedness of the Government of India to meet the extra expenditure involved, I can see no possible objection to raising his pay from Rs. 700 to Rs. 1000 a month. I suggest that Government of Madras accord their approval to this step.

3. If Chou's pay is raised to Rs.1000, then automatically he becomes Grade III officer entitled to First Class travel for himself and his family.

4. As regards the date from which he should be considered to have joined service, Chou suggests that his appointment be ordered to take effect from 16th March 1943 when he was relieved from his former post in China. I wonder whether this can be done. If not, I suggest that he be allowed to draw his pay from the date of his embarkation for India, i.e. 20th March 1943. This, I suppose, would be in full keeping with past practice.

Yours sincerely,

T. Sivasankar Esq., I.C.S.,
Addl. Secretary to Government,
Development Department,
Madras.

Appointment of General Manager

I invite a reference to paragraph 1 of G.O.No.610, Development, 20th April 1943 wherein it has been stated that my appointment as temporary General Manager of the Government Silk Filature, Kollegal take effect from the date on which I report myself to the Government Madras. In this connection, I would like to point out that in Januar I volunteered to go over to India myself from China, at the invitati of the Government of India in order to promote the Allied war effort in the production of silk suitable for the manufacture of parachutes after winding up my affairs with the Yunan Silk Manufacturing Compan where I was serving last and I had to take one year leave for this s purpose from 16th March 1943. After arrival at Calcutta on the 21st I was requested to report to the Supply Department at New Delhi.

As already reported in my letter No.368-SF/43 dated 22nd April at the instance of the Supply Department, I visited the Parachute Fa at Cawnpore and the Silk Conditioning House at Calcutta and then onl arrived at Madras on the 10th. It will, therefore, be please observ that I was conducting tours only on official business ever since my arrival and I feel that these should count for duty. In view of the that I have come over to India on a special mission of importance, I request that my appointment be ordered to take effect from the date which I was relieved by my former office at China, i.e. 16th March 1

According to my pay, I find that for purposes of travelling allowance, I will be treated as an officer of Grade IV. I have alwa held high positions in life and myself and the members of my family always travelled in First Class both by rail and by steamer. As the General Manager of a very big Filature of 512 basins, I have to main a certain status. I would, therefore, request that I be treated asa Officer in Grade III for purposes of travelling allowance.

I would be glad if early orders could be obtained on the above Government and communicated to facilitate the drawal of my pay and travelling allowance.

Copy of D.O.No.SY/TX-62(106) from Mr.C.S.Desai, I.C.S., Directo General of Supply, New Delhi.

We have received a letter from Bell of the Pekin Syndicate Ltd. dated 12th May 1943 copy enclosed, in which he has suggested that th salary of Y.T.Chou, the Silk Expert at Kollegal should be raised to Rs.1,000 per month. We have considered the suggestion in consultatio with Supply Finance and are in a position to state that we would not to such an increase up to a maximum of Rs.1,000 per month should the Government consider it desirable to increase Chou's pay, and that would agree to meet the extra expenditure involved in the costs of t Government Filatures.

Copy of letter dated 12th May 1943 from Alan J.Bell Esq., of th Pekin Syndicate Ltd., Chungking, to R.W.Targett Esq., Director Gener of Supply, New Delhi.

Since my return here I have received a letter from Y.T.Chou, Silk Expert at Kollegal, sending me a copy of his report dated the April to the Director of Industries and Commerce, Madras. As I wa responsible for his engagement at your request, I am naturally anxio that his period of service in India will prove of material help over production. I, therefore, send you a copy of his letter to me which interest you. I also presume to make a suggestion regarding his sala He has not mentioned this to me, but I find that it is considerably l than his earnings in China and I believe also that by Indian Standard it is rather low. Actually he is supposed to get Rs.700 per month. I you think that could be raised to say Rs.1000/- per month? This is or personal suggestion from me, as I feel that such an increase made spontaneously by the Madras Government would be considered by Mr.Chou an indication that his work was appreciated.

Copy of D.O.No.580-SF/43 from Mr.Y.T.Chou, General Manager, rernment Silk Filatures to Mr.Alan J.Bell of the Pekin Syndicate Ltd., ngking.

You will be glad to learn that I have taken charge of the management the Government Silk Filature, Kollegal and I would now very much like take this opportunity of thanking you for all your kindness shown me and making my stay quite comfortable while I was at New Delhi.

I had a very interesting visit to Cawnpore and had a look round the Parachute Factory stationed there. On my way to Madras, I visited the Bengal Government Silk Conditioning House at Calcutta. At Madras, I interviewed Sir Hugh Hood, the Second Adviser to H.E. the Governor of Madras who is in charge of the Silk Expansion Scheme. Mr.M.P.Paid, Controller o Supplies, Madras was of great help to me in all my visits at Madras.

From Madras, Mr.Khaleeli, the Director of Industries and Commerce, Madras Government was good enough to take me down to Kollegal in person and he also entertained me and my family at Bangalore in his brother's big mansion.

I have a very good and loving friend in Kollegal, Mr.K.T.Achaya, Seridultural Expert with the Government of Madras on leave - and he and the members of his family take a lot of interest in us here. I am now settling down to work in earnest.

I am enclosing herewith for your information a copy of my recommendations to the Madras Government for a x revision of the existing scheme, which I submitted for their consideration after an inspection of the local conditions and the machinery ordered. I do hope it is self-explanatory. You are aware, my purpose in coming over to India is to contribute to the best of my abilities my experience and knowledge of the silk industry in the promotion of the Allied War Efforts. Though, I have much work to do in China, I left her for the sake of the Allied Cause. I am, there ore, confident that I can always count on your hearty cooperation in all my endeavours and that you would spare no pains to see that my schemes are pushed through successfully,

Sir,

I would like to inform you that I just received words from my own Government in China that my services are urgently required and I am to wait for orders to go back to China or to proceed to the United States of America. I, therefore, regret to submit herewith my resignation of my post of Gneral Manager, Government Silk Filature, Kollegal which the Govt.,of Madras ordered in G.O.No.610, Dev., dated 20th April 1943 and Memorandum No.9377½D/43-1, Dev., dated 6th May, 1943.

No agreement has been signed by me so far and I have not also drawn my salary as yet. I, therefore, hope that my action is in order. I spent over Rs.7,000/- on ~~my~~ the travelling expenses from China to Kollegal for myself and my family and I received an advance of Rs.5,000/- from the Madras Government, on 14th May, 1943. I leave this point to the Government, to settle in any way they deem fit.

I do hope sincerely that my resignation will be accepted by the Government of Madras and I will be relieved for services to my own country.

I met Y.T. Chou, the General Manager of the Government Silk Filatures, on the 21st June 1943 at Bangalore. He told me that the Conference at Delhi was presided over by Desai and that he had a long conversation with Chapman, the Financial Adviser to the Director General. Chou is now in Bangalore awaiting orders of his Government. I told him that I shall obtain orders of Government formally accepting his resignation. I suggest that these orders may be issued at an early date with effect from the forenoon of the 21st June 1943. He will be paid his salary as General Manager up to 20th June 1943.

para 4, p 8 cf

Mr Chan landed in India on 21.3.43 and spent the time between 21.3.43 and the date of his arrival in Madras in April 1943 in seeing offices of the Supply Deptt and visiting the factory at Cawnpore and Silk Cantonment house at Calcutta. He states that this period was also spent on official duty. If this position is conceded, the question of paying T.A. for these journeys will presumably arise later. Already, Mr Chan has been granted a special advance of Rs 5000/- to meet his T.A. for journeys from China and it is proposed to adjust this amount against his T.A. which may be payable to him. In the circumstances, it is for orders whether the recommendation of the D.I.Gc to count the service of Mr Chan from 20.3.43 will be accepted.

As regards para 2 of Dev note on ff 1-2 ante it may be mentioned that according to instructions in sub-para 2 under 7-R.17 on f 15 of the Audit Manual, the pay of officers recruited overseas who are entitled to a first class passage to India shall commence from the date of disembarkation, subject to their proceeding to take up their duties without avoidable delay. In the case of Officers who receive second class passage, pay shall commence from the date of embarkation for India

ASSISTANT SECRETARY 7 JUN 1943 FINANCE DEPARTMENT

Portion 2 at f 9 cf. shows that Mr. Chan was not ~~specifically~~ specifically recruited for employment under the Madras Govt. Between the date of his arrival in India (on 21.3.43) and the date of his joining duty at Madras in April, 43, he was seeing the officers of the Supply Dept and visiting the Factory at Cawnpore and the Silk Conditioning House at Calcutta. If the Govt. of India invited Mr. Chan

India not necessarily for employment in this Province, it would seem that the Madras Govt. need accept liability on account of Mr. Chou's pay only from the date of his joining duty at Madras. The Govt of India may be asked to meet his pay for any earlier period for which it may be considered reasonable to pay him.

2 With reference to para 3 of Dev note at p 2 ante it has been suggested ~~in the top file~~ that the increase of pay of Mr. Chou ~~pay~~ from Rs. 700 to Rs 1,000 may be accepted, subject to ~~the~~ Govt of India being asked to meet the extra cost

3. Para 4 of Dev note at p 2-3 ante.

Mr. Chou will become eligible to draw T.A. as a Grade III officer, if his pay is increased to Rs 1000

of Mr. Chou from Rs.700 to 1000 subject to the condition that the excess over Rs.700/- should be borne by the Government of India. For orders whether the orders in G.O.No.610 Dev. dated 20-4-43 may be modified and the Government of India informed of it.

Mr. Chou will be eligible to draw T.A. as a Grade III Officer as soon as his salary is raised to Rs.1000/-.

Item (iii) above: Date of commencement of Service o... This Department agreed to the proposal of the D.I. & C. to treat Mr. Chou as having entered service under this Government with effect from 20-3-43 the date of his embarkation from China to India. For the reasons stated at R on page 3 above, Finance Department consider that the Government of India should meet the cost on account of his pay for the period from 20-3-43 to 16-4-43 the date of his arrival in Madras. It is submitted that it was at the instance of this Government that the Government

of India secured the services of Mr. Chou through the Bakir Syndicate. Apparently, the Government of India instructed him to visit Cawnpore and Calcutta on his way to Madras with a view to acquainting himself with the requirements of the Department of Supply to facilitate his work at Kollegal. In the circumstances it is for orders whether the views of the Finance Department will be accepted or whether this Government will agree to pay the salary of Mr. Chou from 20-3-1943.

Item (iv): Acceptance of resignation and consequential arrangements. It has been decided that Mr. Chou's resignation may be accepted as soon as he returns from New Delhi after the Conference. The D.I & C. has suggested that Mr. Peychaud may be put in charge in the place of Mr. Chou. The question of retaining Mr. Peychaud at Kollegal after June 1943 is separately under consideration. A temporary post of Business Manager for the Kollegal Silk Filatures has been created and the D.I & C. has been asked to advertise and report a panel of names for the appointment of suitable candidates to the post. As soon as the Manager is appointed Peychaud can be put in charge of the Government Silk Filatures Factory, arrangements being made with him to give training to the new Manager and to supervise the work in the Kollegal Silk Filatures. For orders whether the D.I & C's suggestion to put Peychaud in charge of the Govt. Silk Filature Factory, vice Chou will be accepted subject to the conditions mentioned above.
